There is no reduction in tuition, fees, room, and board made for days absent at the beginning of the semester.

Note: Any recipient of Title IV funds that withdraws prior to the end of the term will be subject to the “Return of Title IV Funds” policy. *Refer to: Financial Aid Student Consumer Information Guide.

Change of Schedule (Drop/Add)

Students may drop and/or add courses in accordance with procedures outlined in the College Catalog. Forms for making any changes to class schedules may be obtained from the Registrar’s Office. No change to the student’s schedule will be considered valid unless the student has fully complied with the procedures mandated by the Registrar’s Office.

The College will not make tuition adjustments for dropping a class after the "Last Day for Class Changes" (see academic calendar). A drop/add fee is charged to students who change courses previously confirmed.

Refund Policy

Refunds will be made in accordance with the following refund regulations.

- Institutional funds (scholarships, tuition waivers, or grants) are non-refundable.
- Only students with credit balances are eligible for refunds, and a student’s refund cannot exceed his credit balance. A credit balance occurs when funds credited to a student’s account (such as cash, federal and state financial aid, scholarships, credits, etc.) exceed the amount of charges such as tuition, fees, and room and board.

- THE STUDENT IS LIABLE FOR ANY REFUND THAT IS GENERATED BY A FINANCIAL AID OVERAWARD. The student can prevent overawards by reporting all external awards (scholarships, grants, stipends, tuition waivers, etc.) to the Office of Financial Aid immediately. The external awards should be in writing on the letterhead of the donor or agency. Students with pending scholarships and credit balances are advised to request that the institution hold their credit balance until ALL scholarships are posted to their account.

NOTE: It should be noted that most financial aid is not on your account at the beginning of the semester. However, the College is required to send monthly billing statements as long as the student has a balance. Do not become alarmed if the first statement does not have any financial aid listed. Please make sure that you have all necessary paperwork on file in the Financial Aid Office so there will be no delays in receiving your aid. Please keep copies of all receipts and check stubs for your personal records.

Other Regulations

1. In case of suspension, no refund will be allowed nor any tuition adjustments.

2. Any expense incurred in an emergency by the College for a student-such as medicine, hospitalization, damages, etc. – will be charged to the student’s account.

3. Students requesting transcripts will receive the first one free, and all other transcripts will cost $10. Transcripts will be released only when accounts are cleared.

4. Student refunds will be issued within 14 days of a credit balance and after institutional charges have been met.

5. All seniors applying for graduation must pay a NON-REFUNDABLE fee of $227.00 regardless of participation in the ceremony.

The fee covers graduation activities, caps and gowns, diplomas, etc. Fees paid for services by members of special groups, e.g., Alpha Kappa Mu Honor Society, are also NON-REFUNDABLE.
